**Have a better use for your time?
We will do the dirty work for you.**

Professionally clean and restore the beauty of your product.

Eco-friendly solvents, advanced cleaning utensils, and care, are used
in the rejuvenating process.

\$75 per hour (includes materials) with a maximum hour guarantee.

We also perform any needed adjustment to gates and fence. Please
contact us for a complementary consultation 608 783 4200

or email us dirtyfence@phillipsfencing.com

“GOOD FENCES MAKE GOOD NEIGHBORS”

Before

After

REMOVE UNSIGHTLY DIRT, MOLD & MILDUE. Regular cleaning will aesthetically enhance the life of your products, keeping them looking newer— longer.

Note; The cleaning solvents used are all-natural, eco-friendly and will not harm vegetation or pets. In addition to our cleaning solvents, advanced cleaning utensils are used in conjunction with high pressure to ensure a thorough clean and shine.
